3. Group Information - Indoor Shoes

In order to maintain the cleanliness of our activity environment and the safety of our members, it is important that we have to keep our gym floor clean and dry. This is a reminder for all members that we are required to bring an extra pair of indoor shoes for all rain and snow days. By changing to a dry pair of indoor shoes we can avoid incidents caused by slippery floors and improve the hygiene of our meeting place. Thank you for your corporation.
